VOLUNTEER EXPERIENCE

Criminal Case Consultants | Coercive Interrogation & Forensic Analysis

Brian Leslie

Number of Hours: 530 - Toronto, Ontario

Since becoming a co-op student in the eleventh grade, I have completed over 500 hours of advanced specialized training in coercive interrogation, U.S. and Canadian laws relating to interrogation, criminal trial procedure, admissible evidence, suppression motions and hearings as well as U.S. Criminal statutes.

EMPLOYMENT

Hamilton YMCA | Swimming Instructor & Lifeguard (**January 2024 - Present**)

Working as a lifeguard in a community public pool that assists the homeless and disabled has allowed me to understand and appreciate the position I hold as someone who has the power to make positive change through my influence.

NorthStar Montessori | Swimming Instructor (**January 2024 - March 2025**)

Attaining a position in another aquatics role where I'm able to enhance my communication skills and ability to teach has given me the opportunity to effectively work with youth and adults who are inexperienced with the profession of swimming.

Jack of Sports | Swimming Instructor & Lifeguard (**March 2023 - April 2024**)

The ability to patiently mentor the youth in capturing a skill that only 1/3 of the world can truly acquire takes passion and willingness. I have been able to understand and cultivate a positive learning environment in which the students I teach have become accustomed in adapting.

Boston Pizza Hamilton | Line Cook & Server (**Nov 2022 - October 2023**)

Having never been in a kitchen setting in my life before employment at Boston Pizza had its obstacles set out for me, especially working in such a massive chain restaurant. However, being in a fast paced environment was a regular occurrence, as I'd racked up the experience I needed in hospitality from previous establishments.

Pickle Barrel | Server (**Sept 2022 - February 2023**)

The Pickle Barrel was my first server position, allowing me to explore the realms of interacting with guests and learning the responsibilities of memorization when staying on top of multiple tables simultaneously within my section.

KI | General Ambassador, Server Assistant (**June - Sept 2022**)

During my employment, I experienced working in a fine dining Japanese restaurant, and learned about it's cultural foods and wines.

Oretta (King West) | Server Assistant (**Jan - Aug 2022**)

This was my first server assistant experience and excelled within the first week of employment.

Lavelle Rooftop Restaurant | Host (**Aug 2021 - Oct 2023**)

I was employed to provide quality customer service and interact with exclusive members of the public.

To Whom It May Concern:

Mithun Sudarshan was an employee at Freed F&B Inc O/A Lavelle for the period August 22nd 2021 to November 1st 2021. Mithun was part of our Guest Services team and worked full-time at our location 627 King St. West in Downtown Toronto.

During his tenure, Mithun demonstrated the ability to take direction, learned his position quickly and completed his tasks diligently. He was a very punctual and positive team player that always took initiative and proactively contributed to supporting his colleagues. Overall, he was a valued hard-worker that proved himself an asset to our organization.

His position became redundant due to a change in our operating hours as we are a seasonal venue.

I whole heartedly recommend Mithun Sudarshan for employment at your establishment as he would be an asset to any organization.

We trust this information is satisfactory however, should you require any additional information, please feel free to contact the undersigned by email at Russell@chezlavelle.com.

Thank you,

Russell Palloo
Sr. Director of Finance & Operations

Dear hiring manager,

I have been Mithun's supervisor at Lavelle since the beginning of the summer season 2021 and I am pleased to recommend him for the position of host at any work environment.

Mithun joined our guest host team after showing up in full business attire to deliver his resume, and after speaking to him and noticing his proper manners and way of portraying himself, we decided to give him a chance to show us what he was able to do in that position. And I'm glad we did.

Mithun not only showed himself to be a pleasant and considerate host, but also showed proactiveness and that he was eager and open to learn how to help the team by doing different tasks. The tasks could be physical (such as helping move the host stand downstairs and carrying the barricades) or not.

We were surprised to know that working at Lavelle was his first job since he was so well-spoken and full of initiative. Throughout the summer and for the following months his performance never declined.

Unfortunately, once the low season came, we had to prioritize the guest hosts who were with us based on seniority and we had to put Mithun on an "on call" status. Since everyone who is on this status naturally receives fewer shifts, I am not surprised that Mithun is trying to find a job with more hours, and that is the reason why I want to say that he's an employee worth having.

If you need further information, please don't hesitate to contact me via email or by telephone.

Kind regards,

Lucas S. de Faria

To Whom it May Concern,

Mithun Sudarshan was employed with Oretta Restaurant from February 2022 to August 2022. I had the pleasure of working with Mithun as his manager. He worked on our team as a Server Assistant and proofed himself to be hard working, flexible and a fast learner. He delivered food, served customers, made sure the restaurant was in a good condition at all times, implemented new processes in his position and was of great help when it came to ensuring the restaurant worked according to COVID-19 guidelines. He was going out of his regular job duties to re-organize certain areas of the restaurant for better efficiencies. He displayed a wealth of knowledge, and enthusiasm. Mithun strived to exceed guest's expectations, while at the same time emphasizing on the importance of achieving our standards. This was all made possible by hard work, attention to detail and a proactive approach towards his duties. When asked, he was always willing to help.

He was with us through a lot of transition & upheaval, as we had many Server Assistants move in & out of the restaurant. Mithun was proactive in training new Server Assistants when they joined the team. For quite a few months, we were extremely short staffed, and he put in numerous hours, without complaint or hesitation.

Not only was he doing the technical aspect of his job well, but also developed a great relationship with his managers and associates, which made him an important pillar in the restaurant's operation.

Mithun was a great addition to our team and I have high expectations for his future accomplishments and assured success in all his future endeavors. If you have any further questions in regards to Mithun's qualifications or work at Oretta, please do not hesitate to contact me.

Online Profile for NCSA

To whom it may concern,

I highly recommend Mithun Sudarshan for a position on a swim team or any other role of responsibility.

Mithun is a very bright student who is willing to learn, even when pushed outside his comfort zone. He excelled in my Cooperative Education program where he participated in a placement at Criminal Case Consultants Inc. He is a very quick learner and can retain and apply his skills to new situations and challenges. He was one of top students in my program, and he willingly shared his knowledge and expertise with the other students.

Mithun has an excellent work ethic. He arrives early and is prepared to begin work immediately. He was never late for any class, nor did he ever expect to leave early. His attendance was excellent. He worked steadily throughout the entire semester, even after Covid shut down most of our country. If he met with any challenges, he persevered until he had the problem solved. He was not afraid to ask for help if needed and he willingly took feedback and guidance from his teachers or co-workers.

In addition to the above, Mithun has an excellent attitude towards others and to life in general. He is respectful to teachers and staff members as well as to his peers. He has a pleasant personality and is someone that others like to work with. He is a positive and contributing participant in group settings. Mithun would make an excellent addition to any team. He is a skilled and conscientious worker who will give his best to ensure that his work is done to satisfaction and beyond.

Please do not hesitate to contact me if you have any questions.
Sincerely,

Jenny Borda
